DISCOVER AVIDA

Avida is a family owned business that commenced manufacturing in Australia in 1965, with the formation of Freeway Camper Company. From 1978 to 2013 Avida manufactured motorhomes, campervans and caravans under the name of Winnebago Industries, where we were famous for Winnebago motorhomes like Leisure Seeker, Birdsville and Esperance. Today Avida still remains in the hands of the original family, where we employ and support hundreds of Australians at our huge 10 acre site in Western Sydney NSW. Not only do we continue the tradition of the Avida Birdsville and Esperance, we have also expanded our range of motorhomes and caravans.

DISCOVER the Avida Advantage

Avida has been investing millions of dollars in the most advanced technology since 1965 and today is at the cutting edge of design in Australia with the most technologically advanced manufacturing plant at the 10 acre site in Sydney. From the latest three dimensional CAD software, the computer numeric controlled (CNC) cutting equipment, through to the unique PUR hot melt adhesive lamination and cutting system, the technology Avida use is second to none.

Avida's Unique construction advantages*:

- Light weight sandwich panel
- Walls fixed to the top of the floor, not the side
- Dent & hail resistant fibreglass finish
- One piece floor, walls and roof construction
- Roof is glued, screwed and fully waterproofed
- Protective sheeting underside
- Long lasting easy to clean surfaces
- Highest insulated rating on the market
- Strong enough to walk on the roof

* Excludes Campervans

“We have owned two previous Winnebago’s, an Esperance and a Free Spirit and now have upgraded to our third Avida Esperance. The Iveco chassis is really nice to drive and the overall aesthetics of the house side are lovely, a real upgrade with the lighter interior.” – Ross and Susan, TAS
